INDEPENDENT AUDITOR'S REPORT

To the Members of B.A.G Convergence Private Limited

Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of *B.A.G Convergence Private Limited* ("the Company"), which comprise the balance sheet as at March 31, 2024, and the Statement of Profit and Loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the **Companies Act, 2013** ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its Profit for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the in the Board's Report including Annexure(s) to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent;

and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

As As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

Significant Accounting Policies

a) Basis of accounting and preparation of financial statements

These financial statements have been prepared under the historical cost convention on a going concern basis, on the accrual basis of accounting in accordance with the Generally Accepted Accounting Principles (GAAP) in India. Indian GAAP comprises mandatory accounting standards as specified under the section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014 and other accounting pronouncements of the Institute of Chartered Accountants of India.

The financial statements are presented in Indian National Rupee (INR), the functional currency of the Company. Items included in the standalone financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the 'functional currency'). Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of these transactions are recognised in the standalone statement of profit and loss. Foreign currency denominated monetary assets and liabilities are translated into functional currency at exchange rates in effect at the balance sheet date, the gain or loss arising from such translations are recognised in the standalone statement of profit and loss.

All amounts included in the financial statements are reported in lakhs of Indian rupees except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

b) Use of Estimates

The preparation of the financial statements is in accordance with Generally Accepted Accounting Principles. It requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of revenues and expenses during the year. Actual results could differ from these estimates and a revision to such accounting estimates is recognized in the accounting period in which such a revision takes place.

c) Depreciation

Depreciation on fixed asset is provided on Written down Value method at the rates and in the manner prescribed in schedule II of the Companies Act, 2013.

d) Revenue Recognition

Revenues from Telecom value added services net of customer credit, is recognized on provision of services in terms of revenue sharing agreements with the aggregator.

Advertisement revenue from sale of advertising time is recognized on the accrual basis when advertisements are telecast in accordance with contractual obligations.

e) Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

f) Tangible Fixed Assets

Tangible Fixed Assets

The Fixed assets are stated at cost less accumulated depreciation and impairment. Cost includes capital cost, freight, installation cost, duties and taxes and other incidental expenses incurred during the construction/installation and attributable to bringing the asset to its intended use. Fixed assets are further adjusted by the amount of CENVAT credit available, wherever applicable.

Depreciation on fixed assets is provided as per WDV basis, based on the rates as per useful life prescribed in Schedule II to the Companies Act, 2013.

Depreciation is provided on a pro-rata basis i.e. from the date on which asset is ready for use.

Depreciation for the year is recognised in the Statement of Profit and Loss.

Losses arising from retirement or gains or losses arising from disposal of fixed assets which are carried at cost are recognized in the Statement of Profit and Loss.

g) Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilizing the credits.

h) Taxes on Income

Income-tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the incometax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). Income-tax expense is recognised in Statement of Profit or Loss except that tax expense related to items recognised directly in reserves is also recognized in those reserves.

Deferred tax in respect of timing differences which reverse after the tax holiday period is recognised in the year in which the timing differences originate.

i) Provisions, Contingent Liabilities and Contingent Assets

Provisions

A provision is recognised if, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. The provisions are measured on an undiscounted basis.

Contingencies

Provision in respect of loss contingencies relating to claims, litigation, assessment, fines, penalties, etc. are recognised when it is probable that a liability has been incurred, and the amount can be estimated reliably.

Contingent Liabilities and Commitments

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

j) Earnings Per Share (EPS)

The Company reports Basic Earning per equity share in accordance with the Accounting Standard-20 issued by the Institute of Chartered Accountants of India. Basic Earnings per equity share has been computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year.

The number of shares used in computing the diluted earning per share comprises of the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares.

k) Investments

Non Current investments are stated at cost or fair value whichever is lower. Long term investments are stated at cost. Provision for diminution in value of long term investment is made, if the diminution is other than temporary.

- **21.** The Company has not received any intimation from suppliers regarding their status under the Micro, Small and Medium Enterprise Development (MSMED) Act, 2006 and hence disclosures Section 22 of The Micro, Small and Medium Enterprise Development (MSMED) Act, 2006 regarding:
 - (a) Amount due and outstanding to suppliers as at end of accounting year;
 - (b) Interest paid during the year;
 - (c) Interest payable at the end of the accounting year; and
 - (d) Interest accrued and unpaid at the end of the accounting year have not been given.

22. Auditors Remuneration
